Is there anything we can do to improve?

Speeds for Every Home

Our speeds are designed to fit a variety of household needs and sizes. Choice speeds start at 50 mbps, which can easily handle streaming your favorite shows and range up to 1 Gbps.

| Average Internet Plans | Song | HD Movie |
|--------------------------------|-------------------|----------------|
| DSL | 4 mins | 99 mins |
| Hotspot | 3 mins | 74 mins |
| Satellite | 1 min | 27 mins |
| Cable | 8 secs | 15 mins |
| Choice Unlimited | 6 secs | 6 mins |
| Unlimited and Unleashed | < 1 sec | 45 secs |

Shows the time it takes to download a standard size song (3.5 Mb) and a standard size HD movie (4.5 Gb) on various internet plans. **Mainstream plans are shown in blue.**

Add Mainstream Voice

- ✓ Keep existing number
- ✓ No setup fee with initial service request

\$19⁹⁵ monthly

Installation

Through a multi-step process, our local team constructs a new fiber optic cable line directly to the side of your home and brings the fiber inside to connect it to your router. The new connection is 100% fiber, start to finish.

\$200
standard one time

This is a standard fee that applies to confirmed service areas and is subject to adjustments.
