

## Contract Buyout

When customer switches service from another ISP to Mainstream Fiber Networks, we will offer a credit to their account equal to their final statement from their old ISP, up to \$250.

- The customer must fill out the Contract Buyout Form and submit it to [billing@msfiber.net](mailto:billing@msfiber.net)
- Once the service is installed, you must provide Mainstream Fiber Networks with the final billing statement from the contract of your previous service provider at [billing@msfiber.net](mailto:billing@msfiber.net).
- Final bill must reflect termination of contract with your previous ISP.
- Your account will be credited with the amount of your previous statement, to a maximum of \$250.00.
- Promotion does not have an expiration date.
- Promo price does not affect taxes and fees.
- Other restrictions may apply.
- Mainstream reserves the right to modify or end this program at any time without notice.
- Bill credit cannot be exchanged for cash and can only be used as credit on customer's Mainstream bill.
